

Insurecom

Registration opens for IBBC 2012

Brokers are already rushing to sign up for the Insurecom Broker Business Conference 2012 at our new venue the Hinckley Island Hotel in Leicestershire on March 8 2012.

You can register now by going to the [registration page](http://www.brokerconference.co.uk) on www.brokerconference.co.uk.

This year we have revamped the format to offer both our broker delegates and insurer sponsors an even better package.

IBBC will kick off with an afternoon conference and exhibition that moves into an evening drinks reception and gala dinner with entertainment, special celebrity guest and prize draw.

For just £75, you will enjoy access to the conference & exhibition, buffet lunch, drinks reception, 3 course dinner with wine, after dinner entertainment, overnight stay and breakfast the next morning.

We believe this new format and location will offer brokers and insurers a far greater opportunity to network and spend time in the exhibition area in a more relaxed setting.

Keep checking the website for updates as we will be announcing further details in the coming months. We look forward to welcoming you to IBBC 2012.

Go to the [registration page](http://www.brokerconference.co.uk) to book your place now.
